**ADDITIONAL NARRATIVE**

AGENCY NAME <b>LAKE STEVENS POLICE DEPARTMENT</b>	INCIDENT CLASSIFICATION  Vehicle Collision	INCIDENT NUMBER  <b>14-01567</b>
NAME OF VICTIM(S) <b>N/A</b>		

**Narrative:**

On 7/7/14 at approximately 1228 hrs., I was dispatched to a disturbance in that area of Lundeen Parkway and State Route 204. The reporting party, Fale, Larry (8/4/56), indicated that there was another driver that threw something at his vehicle and was yelling at him. Shortly after, another reporting party, Pabst, Robert P (11/7/69), contacted 911 and stated that there was a incident involving a Dodge Durango that rammed him.

I arrived onscene of the incident location, approximately the 8300 blk of SR 204. Both vehicles were on the shoulder of the roadway. The rear vehicle was a white in color Toyota 4Runner, WA LIC #ABK0058. The forward vehicle was a gold in color, Dodge Durango, WA LIC AEJ6889.

I first contacted Robert. Robert stated that he was traveling westbound SR 204 in the northmost lane. In approximately the 8500 blk, the lane ends and traffic is required to merge left. Robert stated that he turned on his turn indicator and began merging left. Robert said that he noticed the Dodge Durango traveling at a high speed and appeared that he did not want to allow him to get over. Robert said that once he merged, the driver of the Durango (Larry), began honking his horn. Robert said that he threw up his hands as though to communicate what he did wrong. Robert said that Larry began flipping him off again and screaming at him. Robert said that he stopped his vehicle in the middle of the roadway of SR 204. Robert stated that he exited his vehicle to talk with Larry. Robert said that Larry continued to yell at him. Robert said that he then smashed a burrito against the drivers side window of the Durango. Robert said that he then got back into his vehicle and was planning to leave. Robert said that the Durango passed him on the left, entering oncoming highway traffic. Robert said that Larry turn sharply into the front end of his vehicle, impacting the drivers side front corner. Robert said that Larry then sped off and then pulled over shortly after.

I contacted Larry. He informed me that he was in the left westbound lane. Larry said that he noticed the 4Runner was intending on merging, so he honked his horn as though to signal he could merge. Larry said that when he did that, the driver of the 4Runner (Robert) flipped him off. Larry said that he communicated back to him by flipping him off. Larry said that Robert then slammed on his brakes in the middle of the highway. Larry stated that Robert then got out of his vehicle, yelling at him and then threw a burrito at his vehicle. Larry said that he then attempted to pass him to call 911. Larry said that when he nearly passed him, Robert began moving forward, causing the two vehicles to collide. Larry stated that he stayed in his vehicle throughout the incident.

Both vehicles sustained damage in excess of \$750. The Durango had damage from the passenger

While attempting to merge just w/b passed Lundeen Pkwy on Hwy 204, once I started to merge, the Driver laid on the horn at me. I had plenty of room to merge, so I put my hand out to gesture "what did I do wrong". Then he was flipping me off. ~~and~~ So I stopped traffic to talk to him. He was yelling and flipping me off more. So I smashed a burrito on his window. ~~He then~~ I got back in my car to leave and he pulled into on coming traffic almost causing a wreck with a semi-truck. then swerved into my left front fender pinning me in the car. then he speeded off and pulled over where we wait for the police to arrive.

Party A wanted to merge into left lane on Hwy 230 just after Lund Rd where right lane ends. I blew my horn signaling Party A to merge in front of me he then flipped me off. I returned the gesture and he stopped in traffic and came back to my car and slam some food on my drivers window and began cussing me out. I decided I had enough and ~~he~~ pulled around him he jumped out of his car as I began to move and climbed over my head he returned to his car and moved slightly forward as I was moving around the two vehicles touched so I pulled onto right shoulder and called 911
